B. A copy of, or a description by category and location of, all documents, electronically stored information, data compilations, and tangible things that are in the possession, custody, or control of the party and that the disclosing party may use to support its claims or defenses, unless solely for impeachment.

ASARCO is producing responsive materials simultaneously with this disclosure.

ASARCO will produce its documents, including electronically stored information, pursuant to the parties' letter agreement dated April 18, 2007.

- C. A computation of any category of damages claimed by the disclosing party, making available for inspection and copying as under Rule 34 the documents or other evidentiary material, not privileged or protected from disclosure, on which such computation is based, including materials bearing on the nature and extent of the injuries suffered.**

ASARCO seeks to recover 54.2% of the outstanding shares of SPCC at the time of the final judgment in this action. In the alternative, ASARCO seeks to recover the outstanding shares of SPCC that the Court awards and the value of any diminution of ASARCO's ownership rights in SPCC. If ASARCO does not receive any of the outstanding SPCC shares, ASARCO seeks to recover the value at the time of the final judgment in this action of whatever the Court finds is ASARCO's correct ownership interest in SPCC.

ASARCO also seeks the dividends that it would have received but for the transfer in 2003.

ASARCO also seeks an award of its attorneys' fees, prejudgment and postjudgment interest, and costs to the fullest extent permitted by law.

Within the time permitted by the Court's Scheduling Order dated March 15, 2007, ASARCO will provide one or more expert reports and related documentation demonstrating the computation of monetary damages to which ASARCO is entitled.

- D. Any insurance agreement under which any person carrying on an insurance business may be liable to satisfy part of all of a judgment which may be entered in the action or to indemnify or reimburse for payments made to satisfy the judgment.**

Plaintiff is unaware of any applicable insurance agreement.
